

Bagua

Holding the bagua with your thumbs by the Career area, stand at the entrance into your space. Determine the position of the entrance (door) on the wall i.e center of the wall, left of center, or right of center. An entrance positioned at the center would represent Career energy, an entrance to the right of Center represents HELPFUL PEOPLE/TRAVEL energy, and an entrance to the left of the center represents KNOWLEDGE/Self-CULTIVATION ENERGY.
